### Summer Greetings!!!!

Many years ago when I was Pastoring one of our YBA Churches, during the winter, the oil furnace had a malfunction. After Service on Sunday, there were no other meetings or services until Wednesday. The three days that passed were extremely cold and balmy. When I went to the Church Wednesday afternoon, the furnace had remained on and had not cut off for at least two days. It was extremely HOT in the Sanctuary.....to the point that the pews were almost too hot to touch and the candles on the Communion Table had melted into a wax blob! This is the kind of summer we seem to be having. Would someone please turn the heat DOWN!!!!

Our Focus for Churches in August is "ServeNC," where we serve our communities during the week of August 2nd-9th. If your Church does ANY type of Mission project ANYTME this summer, please go to BaptistsonMission.org to register your Church's participation. If you preregister, they may (?) still have a few free T-Shirts available. This is an excellent way of helping the people in our communities with the love of Jesus.

Bread of Life has recently called Paul Stewart as their Bi-Vocational Pastor. Paul now serves as Pastor of Bread of Life Baptist Church and the Triple Cross Cowboy Church.

Please be in prayer for the Churches that are searching for a Pastor: Friendship; Forbush and Deep Creek. I am leading in Revival services at Bear Creek August 3-6 and supplying at Friendship the other Sundays in August and at Forbush in September. Pray for these services.

School will be starting back soon. Please be in prayer for the Students, Teachers and Staff for a safe and productive year.

Please be in prayer for the YBA Finance, Nominating, Personnel, and Building and Maintenance Committees as they will be meeting soon.

Update on Health Issues: Marcia is continuing to heal from her shoulder surgery; Emily had a good report from her back surgery. On a recent visit with the knee surgeon, he said that there was an area in my knee of concern. I am waiting for an MRI to be scheduled soon. The Vascular Surgeon (TIA/Brain Stent), the Neurologist (Concussion) and Urologist (kidney stone) have given me a good bill of health!

However, after two recent visits to the Dentist with tooth/gum pain, there seems to have been some damage to two upper teeth that were pushed up into the gums. The Dentist asked me if I had had a fall recently. He said the shift in the teeth is consistent with a fall. Well, who would have "thunk" (thought) that the head concussion could have effected the teeth. Now, I'm on a waiting list to see an Oral Surgeon.

I want to thank each of our Pastors and Churches for their support of our Association. Even though we are not the largest Association, nor the smallest, we are among the most active Associations! Please continue to serve one another and show the love of Jesus with others!

Thanks for your partnership!  
Dennis
